CONGRESSMAN GREG CASAR
TEXAS 35TH DISTRICT

March 30, 2023

Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for the Eastern Travis County Water Main Improvements Project. Travis County, Austin, Texas. 35th Congressional District in fiscal year 2024. The entity to receive funding for this project is Travis County Transportation and Natural Resources located at 700 Lavaca Street, 5th Floor, Austin, TX 7870. The funding would be used to install a water main line to bring clean water to portions of Eastern Travis County who currently do not have water service in their community. The project is an appropriate use of taxpayer funds because this project would build the infrastructure needed in eastern Travis County bringing drinking water needed for healthy communities and would provide water to neighborhood fire hydrants increasing community safety and ability for disaster response.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Greg Casar".
